## Counselor Announcements

This notice is to inform you (students) of your course requests for the coming school year. Please follow the steps below to review the courses and to make sure it is acceptable to student and parent /guardian. If you would like to make any changes schedule an appointment with your counselor. Click the link below to schedule a meeting with your counselor. <https://bit.ly/ghscounselingappt>

Please note that this is only a proposed list of classes, electives are not guaranteed and subject to change All course change requests must be made by **May 3, 2021**. Please be aware that core classes might change depending on 2nd semester grades and teacher recommendations.

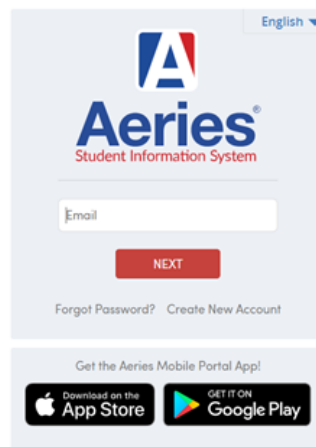

If you are enrolled in an Honors or AP class(es) you will receive a separate email with important steps to follow. This will include a mandatory online orientation and instructions on how to access your summer assignments.

We are looking forward working together to create a rewarding educational experience for you. If you have any questions, please contact your counseling department.

### **How to View Course Requests in the Student Portal**

1. Log in to your student portal

South Monterey County Joint Union High School District

2. Click on Classes > Course Requests

The screenshot shows the Aeries Communications dashboard. The 'Classes' menu is open, showing options for 'Classes', 'Course Requests', and 'Course Requests / Summer'. The 'Course Requests / Summer' option is selected, displaying a table of scheduled classes for 2021-2022.

## **Math Festival**

# Monterey County Math Festival

A fun, virtual mathematical event for students grades 6-12 in Monterey County!

<p><b>What is a Math Festival?</b></p> <p>A math festival is a fun, inclusive, and non-competitive event for Monterey County students in grades 6 – 12. Students will dive into different activities at different (virtual) tables. Students choose what activities they want to engage in and then work collaboratively on the tasks with a facilitator. We are modeling this after Julia Robinson Math Festivals.</p>	<p><b>Will this be in person?</b></p> <p>We will be hosting this event virtually! Your registered student will receive an email with the information to join a few days before the event.</p> 
<p><b>How do students register?</b></p> <p>Contact your teacher or principal to support the registration process. Registration is open now. The deadline to register is April 23, 2021.</p>	<p><b>Is there a limit to how many students can register?</b></p> <p>Since this is not a competition, any student in Grades 6-12 from Monterey County can register! Our limitation will be based on how many teacher volunteers we have. We will be initially capping our registration at 100 students.</p>

Event Information

 <b>Date:</b> <b>May 8, 2021</b>	 <b>Time:</b> <b>9:30 AM - 11:00 AM</b>	 <a href="https://bit.ly/2021mathfest" style="color: red;">bit.ly/2021mathfest</a>

## Yearbook

Do you have photos of your Quarantine experience? Share them with Yearbook, we're desperate for photos to document this year. Because of the stay-at-home order and social distancing, we want photos of your holiday celebrations, quarantine setup, or just any photos that show us how you're surviving this crazy year. Submit photos here through MS Forms: [bit.ly/bruinscheckin](https://bit.ly/bruinscheckin) OR you can directly upload them to a TreeRing Photo folder here: [bit.ly/ghsTRQCI](https://bit.ly/ghsTRQCI)

Speaking of Yearbooks, want to order and customize your own yearbook? <https://tr5.treering.com/create-account/1015963251802873> and set up your TreeRing yearbook account to purchase, customize, and track the yearbook progress: [bit.ly/ghsyrbkstore](https://bit.ly/ghsyrbkstore)
